### STAND IN THE GAP \$2000

There is a desperate need for Christian education and leadership today. Our school provides opportunity for Christian parents to raise their children in a Christian environment and with a Biblical worldview.

In order to operate in a fiscally responsible way we have had to raise our tuition price. We do not want to lose a single student because of this increase, so we are asking those who are able to "Stand in the Gap" for these families to do so.

You can change the course of a child's life with a simple donation of \$2000. Our goal is to properly prepare each child with the very best chance to be a godly Christian leader in their church, community, and calling.

Ezekiel 22:30 says, "And I sought for a man among them, that should make up the hedge, and **stand in the gap** before me for the land, that I should not destroy it: but I found none."

Please consider sponsoring one or more children and "Stand in the Gap" as we raise the next generation of Christian community leaders. I would like to sponsor:  (1) student,  (2) students,  (3) students,  \_\_\_\_\_ students.

### K4 & K5 STUDENT NOTES

K4 students must be 4 by September 15 (no exceptions). K5 students must be 5 by September 15 (no exceptions).	A copy of your child's birth certificate is required for our records. Half day K4 and K5 programs are completed by 11:45 a.m. Parents in need of a full-day program may enroll their child/children as a full-time student.
